Section B: Agriculture and Remittance Calendar 2015

Now I would like to talk about your household farming, livestock rearing, and changes in farm technology use after 2063 BS. Also, I would talk about any family members living away from home. We have prepared a calendar in order to collect these information and to help you recall these events. We have put national events such as constitutional election in the first row; local events such as road construction, establishment of temple and similiar (events) in second row; and animal years and normal Nepali year in the third and fourth rows respectively of the calendar. We hope this will help you recall the timing of the events that have occurred in your household after 2063 BS. Let us first start with crop farming.

For Interviewer

Elaborate the explanation as necessary.
